**The Lesbian, Gay, Bisexual and Transgender
LGBT
“Elder-Friendly” Emblem Project**

Lavender Seniors sponsors a program entitled “**The Emblem**” which helps local agencies create visibly welcoming services for LGBT elders. One of the goals of the Emblem project is to create a network of agencies in Alameda County that implement efforts to serve the unique needs of this population. Emblem certified agencies become part of a preferred provider list for Lavender Seniors’ clients and the community. Certified agencies also understand the importance of being able to reach a population noted by the U.S. Administration on Aging as overlooked and underserved and noted by Alameda County as among those “most at-risk.”
